

Social Work, AA

Award Granted: Associate in Arts

Credits/Contacts Required: **60/63**

Major code: 01/116

CIP Code: 440701

Description

The Associate in Arts degree in Social Work is primarily designed for students who wish to transfer to a four-year college or university. Students should work closely with an academic advisor to select courses needed for their intended major at the four-year institution they plan to attend. In addition to preparation for transfer, this program is designed to provide students with a strong general education background as well as a concentration in Social Work. Students who receive an Associate in Arts degree in Social Work will also satisfy the Michigan Transfer Agreement (MTA) requirements. 🔄

OR SOCY 208 - Sociology of Marriage & the Family
Credits: 3

Fourth Semester Total - Credit(s): 15 | Contacts: 15

NOTES:

- ⚠ This degree requires fulfillment of the Michigan Transfer Agreement General Education requirements. All courses used to fulfill the MTA must have a grade of "C" or higher. A *minimum* of 30 general education (GE) credits must be taken. If the minimum number of credits from each GE category is taken, an additional course will be necessary from any of the five general education categories.
- It is in the student's best interest to review transfer guides which are available online at www.macrao.org for specific university and program requirements. Students should regularly consult with their four-year transfer university as well as their Bay College advisor prior to scheduling classes. Courses may be substituted for others in cases of transferability requirements upon approval.
- Math courses in this program require specific placement scores or prerequisite courses. Students not meeting prerequisites for their required courses may need to take more time and more credits to fulfill degree requirements.
- Students must choose two natural sciences from two different subject areas to meet the MTA requirement, and at least one must be a lab science course. See advisor for details.
- Students must choose courses in Social & Behavioral Sciences and Humanities from two different subject areas to meet MTA.
- Students may also consider taking SWRK 272 in order to pursue an internship with a local agency.
